9th July 2010

Dear Ray,

### Dyslexia Action Wentworth Golf Day 2010

I am writing to thank you on behalf of Dyslexia Action for giving us your time at our Wentworth Golf day on June 30th. The entertainment you provided contributed greatly to the success of the event.

I am pleased to tell you that the event generated over £30,000, the proceeds of which will go to the Dyslexia Action Bursary Fund. Our Bursary Fund is the only national provision of subsidised specialist teaching for children, young people and adults with dyslexia. These are individuals from low-income families who would not otherwise have been able to access this vital support.

Thank you once again for your support. I hope that you enjoyed taking part as much as our guests enjoyed the magic.

For and on behalf of the Event Committee  
Sincerely,

Lucy McNally
