

Hi Ray,

Sorry this has been such a long time coming but we just wanted to say a massive thank you for being so amazing at our wedding party.

**Our guests are still talking about your tricks and trying to work out how you did them, you integrated so well with our guests that a few people thought you were an uncle who liked doing magic.....
you were perfect.**

From start to finish you were brilliant and had some great wedding advice, which I really appreciated.

I have attached some pictures of you doing magic that will definitely be going in my wedding album.

I hope our path's cross again in the future and should anyone I know need a magician I will be recommending you.

Helen
