BEATING BLOOD CANCERS

7 Fosters Grove
Windleham.

Dear Ray, Thank-you so much for your contribution to our Pimm's in the Park; despite the cold northerly wind we had a successful day; everyone enjoying themselves. We haven't a final figure yet, but early calculations show we raised between £1500-2000.

You have encouraged Brian to explore the world of magic even more!

Thank you you once again and maybe we will bump into you in the village sometime.

Yours sincerely

Jill Mayhew.
